

LETTER OF ACCEPTANCE

Dear **Yohanes T. Wibowo**,

Thank you for submitting your manuscript to the ASTRAtech International Conference 2024. We are pleased to inform you that your paper has been reviewed by a designated reviewer, considering various criteria such as language quality, adherence to submission guidelines, and overall contribution to the field. The following paper has been accepted for presentation:

Article ID : **438**

Title : **Improving Center Boss Cutting Machine Performance to Reduce Cycle Time in Machining Line at Piston Manufacturing**

Based on the review and recommendations, we are happy to inform you that the paper has been **ACCEPTED** for presentation at the ASTRAtech International Conference 2024, which will be held in a hybrid format on October 17th, 2024. Your paper will be included in the conference proceedings, and selected papers will be considered for publication in accredited journals indexed by SINTA and Scopus.

Please ensure that you address all reviewer comments carefully and revise your manuscript according to the ASTRAtech International Conference template. We kindly request you to submit the revised paper either by email at astratech.conference@polytechnic.astra.ac.id or via the [Open Journal System](#).

Thank you for your contribution and cooperation. We look forward to welcoming you to the ASTRAtech International Conference 2024.

Sincerely,

Bekasi, October 15, 2024

Dr. Rida Indah Fariani, S.Si., M.T.I.

Chairman
